That portion nearest the shore is on fire. The firemen are laboring hard to save it, but fear the shed which covers it will carry the flames throughout its length and breadth. The entire fire department of ST. Louis, Mo., Aug. 4.—K. H. Wade, superintendent of transportation of the Wabash road, who has just returned from a trip with Col. Talmage and other officials over that line, stated, in conversation this over that line, stated, in conversation this depot and ferry house being of wood and stocked with every sort of combustible material, the flames made sure and rapid work, mocking the corps of the fire department and the organization of employes, and defying the labors of the city fire department while there was a stick of wood standing for the flames to lead on.

One o'clock a.m.—The fire was constituted. over that line, stated in conversation this afternoon that many chances for improve-

One o'clock a. m.—The fire was caused by an explosion of gas in the terry entrance. Angust rieffice closing at five; September The flames spread rapidly to the slips and ratiroad depot. Layer's hotel was saved May 27,6227;c. CLEARINGS.

remainder is intact. Dr. S. H. Vestang, 313
East Eight street, New York, is the man
who was in the ferry entrance when the expiosion occurred. He was struck by tim-bers and glass and badly hurt. His lady friend was seriously burned and taken to Christ's hospital. Henry Sharp, of Mar-ion, employed on the Brooklyn annex, had an artery in his right arm severed by brok-en glass. So far as is known no lives were

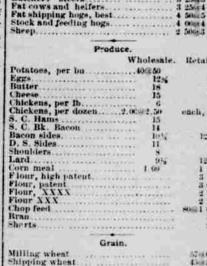

that headed by Gov. E. A. O'Neal, the result can be anticipated.

Birmingham, Ala., Aug. 4.—The election in this city was peaceful. The unopposed Democratic state ticket received a full party vote. There was great interest in local politics. In many instances the contests were triangular. This was true in the case of sheriff, Democrats, Republicans and independents each having a candidate strongly supported. Birmingham polls nearly a hundred per cent. larger vote than at the last election two vears ago. The in-

Chicago Live Stock Cuscado, August 4, 1884.

JUG-HANDLED. MOBILE, Ala., Aug. 4.-The state and ounty elections of Alabama passed off quietly. There being but one state ticket, that headed by Gov. E. A. O'Neal, the re-

at the last election two years ago. The in-dications are that the Democrats will elect their entire ticket by dicided majorities.

And delights the hearts of our many Bradley, a prominent citizen, was trying to stop a fight when he was shot. A large crowd was standing around, and the others were shot accidently. It is not known who did the shooting.

A special from Enterprise, Ky., says: In an election trouble R. M. Grig shot two nuknown men and received. COME & SEE
